

RENAULT
Passion for life

Renault TWINGO

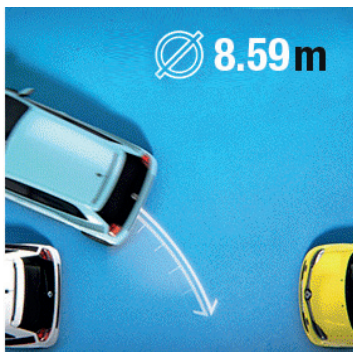

Go anywhere Go everywhere

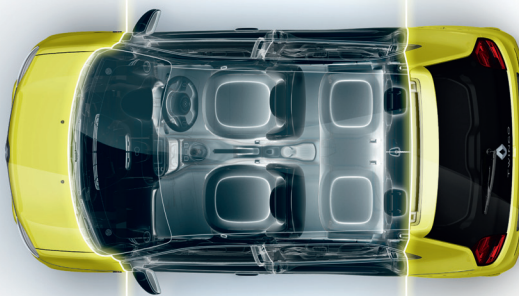

In the city, life moves fast and things can change quickly, so a truly excellent city car is one that is practical and versatile as well as small and agile. Whether you have passengers getting in the back, need to park in a tight space or even need to carry some flat pack furniture, Renault Twingo is in its element.

5 doors

Impressive turning circle

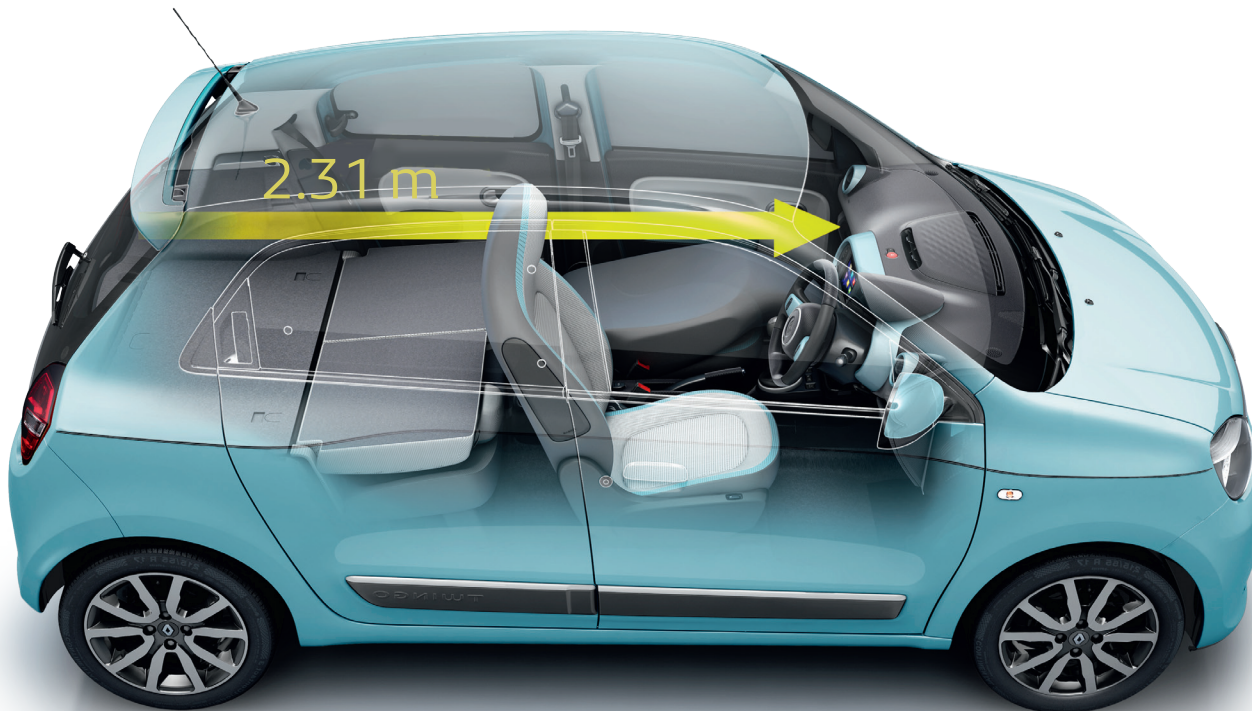

Split folding rear seats

Enough space for a flat-pack bookcase

No one had dared. Now Twingo has!

Space, storage and manoeuvrability. Putting the engine in the rear is something you normally associate with two-seater sports cars, not practical city superminis! However, doing this has given Renault Twingo features that make it stand out from the competition.

I've lost
10cm exterior length

I've gained
33 cm interior length

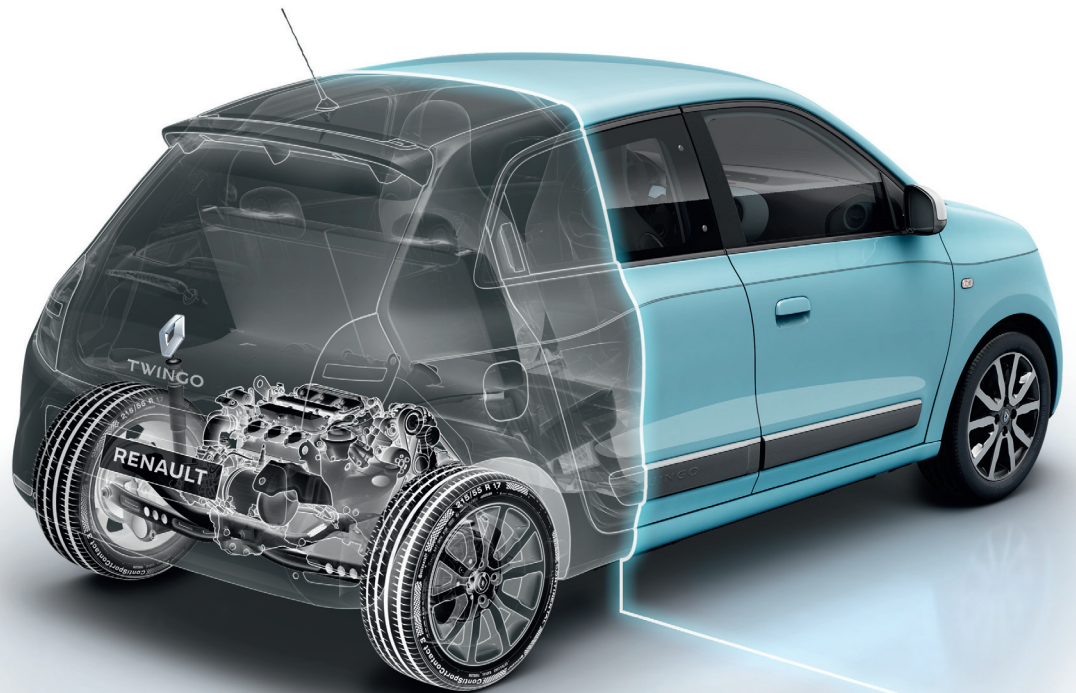

I have an amazing
turning circle of
8.59 metres

The Twingo paradox. Since the last generation Renault Twingo has lost 10cm in length. However, at the same time the cabin is 33cm longer. This gives greater knee room for rear passengers.

Engines and gearboxes

SCe 70. Made for the city, this 70 hp petrol engine's torque is very responsive, for a drive which is simultaneously lively, flexible and comfortable. There is also a variant which includes Stop & Start for improved fuel economy and reduced CO₂ emissions.

TCe 90 Auto EDC. For those in town, the TCe 90 turbo petrol engine with the automatic EDC gearbox perfectly combines the comfort of an automatic gearbox and the responsiveness of a manual transmission.

Safety for all

In active and passive safety, Renault's expertise has nothing left to prove. The care taken to make our cities and our roads safer regularly receives rewards.

Protection

Drive calmly. My architecture has been specially designed to absorb shocks; my front and side airbags protect you and your passengers.

Hill Start Assist (HSA)

Relax, I maintain the braking pressure automatically for 2 seconds... enough time for you to manoeuvre calmly.

Electronic Stability Control (ESC)

Difficult road conditions? Along with the anti-slip regulation (ASR), the ESC monitors your trajectory.

Optional lane departure warning

Drive relaxed: if you cross a continuous or broken line without indicating, you get a visual and audible warning. (option)

Technology and innovation

R & GO

R&Go is an application that turns your smartphone into a touchscreen for your dashboard! The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons. The key features of the app are:

Navigation. 3D vehicle navigation provided by CoPilot.* Maps are downloaded onto the phone, so no data required for navigation. Find my car feature: phone automatically saves the location of your car and gives pedestrian navigation back to it!

Phone. Digital keypad, call history and contacts; phone calendar; SMS (messages) read out.**

Media. Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play music from the phone, access internet radio (uses phone's data).

Vehicle. Eco driving score, fuel consumption info, trip computer and rev counter available.

The R&GO application is free to download for compatible Android and iOS smartphones.†

*Available through in-app purchase for vehicles from October 2016 production.

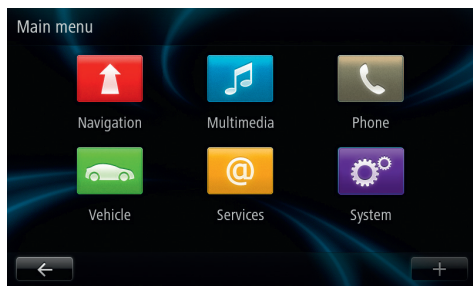

** SMS feature only available on Android devices.

† For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

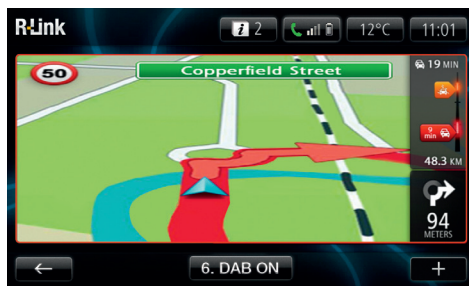

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes a reverse parking camera.

Main menu with 6 icons
Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

Touchscreen navigation system
Provided by TomTom® (12 months subscription to LIVE services from delivery).

Multimedia*
FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

Reverse parking camera system
Rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information
The fun "Eco Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Voice control*
Set your destination, call a contact or launch an application with voice control.

*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

*R-Link is available only as an option on selected models

Standard features

DYNAMIQUE S

(MANUAL VERSION)

15" Ariane alloys

Java Grey upholstery

EXTERIOR

- 15" Sport alloy wheels
- Exterior touch pack (front grille strips, side door strips and door mirrors)
- Matt black side decal
- Body coloured bumpers
- Body coloured exterior door handles
- Day time running lights (LED)

INTERIOR

- Leather Steering Wheel
- Height adjustable driver's seat
- Height adjustable steering wheel
- Rear door storage

TECHNOLOGY

- Remote Central Locking
- Power steering
- Hill Start Assist
- Emergency break assist
- Cruise control
- Climate Control
- Traction Control
- Front fog lights
- Automatic lights
- Automatic wipers
- Electric mirrors
- FM/ AM/ DAB tuner, 2x20W speakers, Bluetooth audio streaming and hands-free calls, USB and AUX sockets.
- Rear parking sensors
- Heated rear window
- Front electric windows

Standard features

DYNAMIQUE S

(AUTOMATIC VERSION)

16" Sport alloys

EXTERIOR

- 16" Sport diamond-cut alloy wheels
- Exterior touch pack (front grille strips, side door strips and door mirrors)
- Matt black side decal
- Body Coloured bumpers
- Body Coloured exterior door handles
- Daytime running lights (LED)

INTERIOR

- Height adjustment driver's seat
- Height adjustable steering wheel
- Rear door storage
- Aluminium pedal unit
- Leather steering wheel
- Black part leather, part synthetic leather, part cloth upholstery with white and red piping

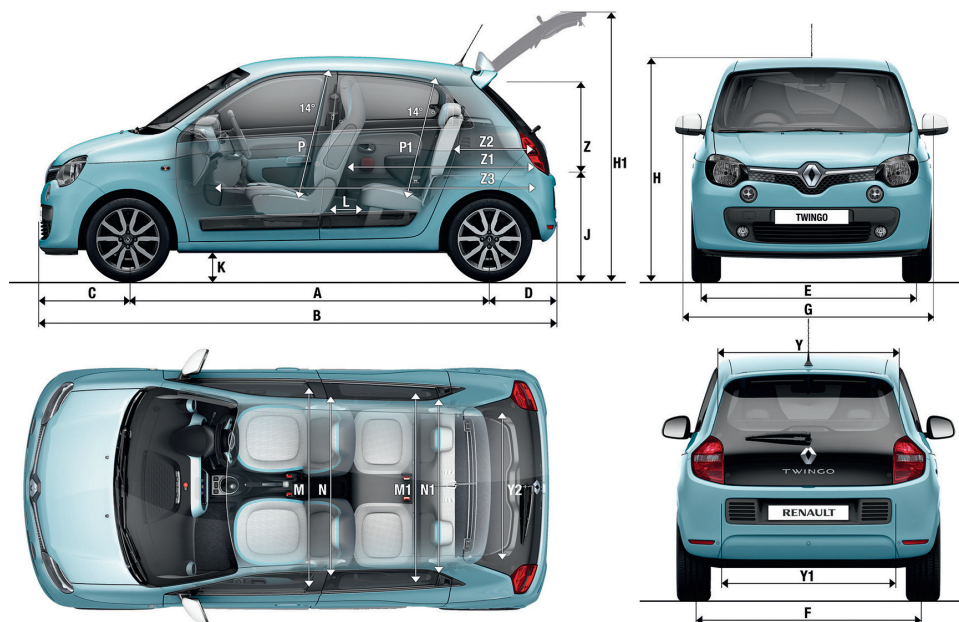

- Red interior touch pack (dashboard surrounds, air vent surrounds and steering wheel inserts)
- Sport gear lever knob

TECHNOLOGY

Gross vehicle weight (kg)	1360	1413
Gross train weight (kg)	1360	1413

*Official Fuel consumption figures are produced for comparison purpose and are measured according to the EU Directive and Regulation 692/2008. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit In Kind go to www.renault.co.uk
